

KOKO-JEAN & THE TONICS

Koko Jean & The Tonics is a Barcelona based Soul band currently formed by Ms. Koko-Jean Davis (vocals), Victor Puertas (Hammond, harp), Dani Baraldés (guitar) and Marc Benaiges (drums).

They fell in love in 2014, made music, and rocked venues. In 2017 they took a break, and in 2019 the band got back together to give birth their first music child with their debut EP *Hair Whip (Do the Do)*. The 4 track EP was issued by Buenritmo Records and was elegantly produced by RnB connoisseur, musician and producer Dani Nel.lo, whose sole purpose was to showcase a few of the band's favorite hits which had made their fans jump and shout at their live shows.

Since then, the band has released two other EP's *Please Mr. Milton* along Dani Nel-lo, and *Sick & Tired*, as well as the album *Shaken & Stirred* in October 2021. Over the years they have toured intensely all around Spain and France, and also played shows in Portugal, Italy and even Morocco.

Now they are ready to unveil their second album *Love Child*, which offers a more sophisticated take on their blend of soul, rock'n'roll, rhythm and blues, with additional string and vocal arrangements, as they keep doing what they do best: make you sing along as you shake your money maker!

The first single, the title track 'Love Child', will be released on July 19th.
